## THE POETS' PARK

Inspired by Paley Park in New York, The Poets' Park is a street-level, landscaped green space tucked away on the Chitty Street side of the 80 Charlotte Street campus.

Screened from the road and shaded by trees, it's a secluded refuge from urban life – a place to meet, relax or dream up your next game-changing idea.

## COMMUNAL ROOF TERRACE

Along the roof of the building, nine floors up, you'll discover a beautiful outdoor terrace, offering inspiring views of the city and its skyline.

Enjoy it as an alfresco lunchtime retreat, use it as a tranquil sanctuary to refresh your headspace, or hire it as a stunning venue for a private meeting or event.

## DL/78.W1

DL/78 is an inspiring hybrid space for the exclusive use of our diverse and creative community.

Designed for connection and collaboration, its facilities include formal meeting and conference rooms, a relaxed Club Lounge workspace, an event arena, wellness room, and Lantana's Australian-inspired café.

## BAR 80

Few workplaces boast their own bar, and few bars are as impressive as this.

Found in the impressive main office lobby, Bar 80 is inspired by the monumental sculptures of Donald Judd and softened by exquisite interior details in leather, ceramic and brass. It's a seductive hangout for morning coffee, post-work cocktails, casual meetings or celebratory gatherings.
